The Audi Q7

Pricing and Specification Guide

Valid from November 2012

Personalising your Audi Q7

This guide has been designed to help you tailor and price your Audi Q7 quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi Q7 online at audi.co.uk.

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

HH CO 325

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar. From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

IN Q 727

HH CO 3
Q7

The Audi Q7 is available with our latest technology

The Audi Q7 is available with a choice of powerful engines, all of which use advanced fuel-injection technology. Features include adaptive air suspension, rear acoustic parking, rear LED lights and an optional HDD-based navigation system, as well as one other trademark Audi innovation: road-holding quattro® permanent all-wheel-drive, which keeps the car balanced in all conditions, across any terrain. Whichever model you choose, you'll also benefit from the practical 7-seat interior, which leaves enough room for the whole family.

Q7 interior story

We've introduced a number of finishing touches to the Audi Q7 interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the luxurious leather seating to our optional customised stitching, which means that every journey you make will be a personal one.

Engines

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

Images for illustrative purposes only.

Transmission

8-speed tiptronic

The Audi Q7 comes with an advanced 8-speed tiptronic transmission system which reduces both fuel consumption and CO_2 emissions. It converts high-torque engine power into sporty performance and operating convenience, with crisp, fast gear changes and an optimised gear-shift strategy. More spontaneous gear changes are a particular benefit, especially when downshifting. Both in the ‘D’ (Drive) and ‘S’ (Sport) programme, the advanced electronics used in tiptronic respond efficiently to every driver input.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO_2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi Q7.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system like the one in the Audi Q7, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

Images for illustrative purposes only

Aerodynamics

A car's shape can have a big impact on its efficiency. It's why we've worked to make the Audi Q7 as aerodynamic as possible, including technology such as adaptive air suspension that responds to changes in speed. It means that the Audi Q7 becomes more aerodynamic at high speeds, while still offering good ground clearance in off-road situations.

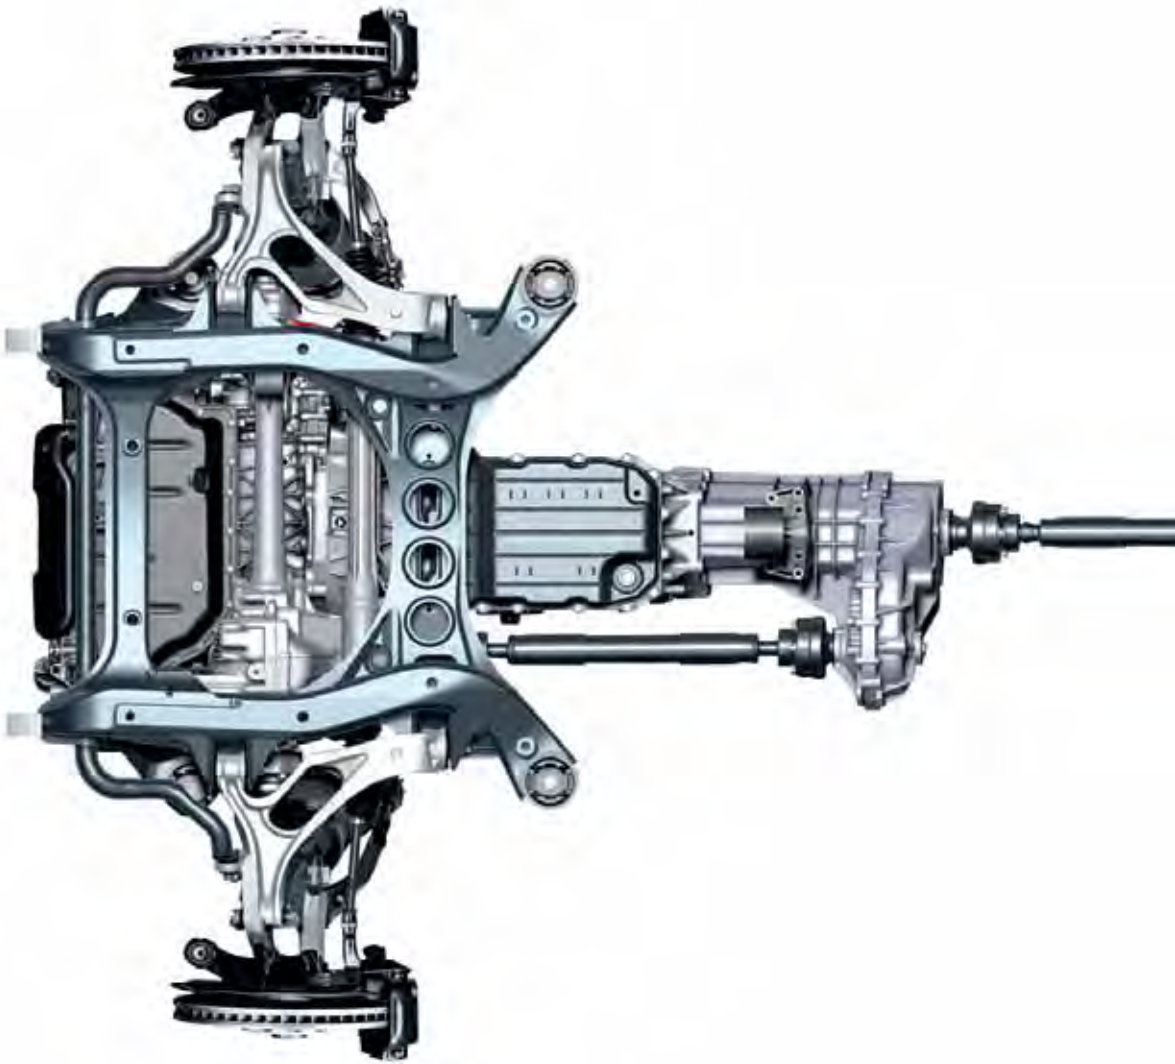
Automatic Start-Stop function*

In heavy traffic, your car still uses fuel and releases CO_2, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you release the brake pedal, the car restarts.

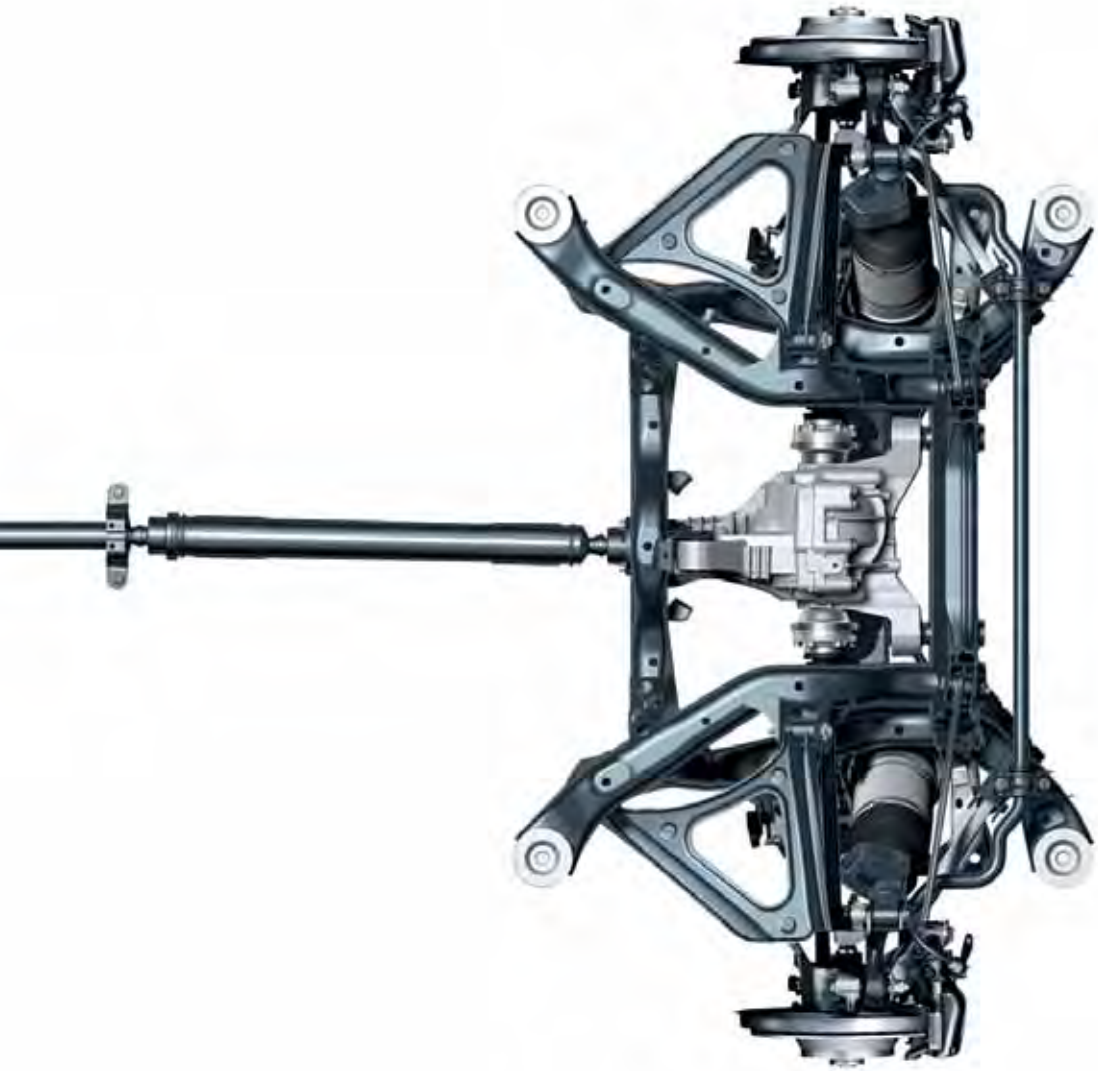
*Only available on 3.0 TDI engines.

quattro®

It's the technology that gave us the edge on the rally circuit from the moment it was first introduced over 30 years ago, bringing victory for the Audi quattro on its very first outing. It's called quattro® permanent all-wheel-drive. In this system, four permanently driven wheels deliver better acceleration, road-holding and safety, while asymmetric-dynamic torque distribution intelligently controls the flow of power to the front and rear axles.



Images for illustrative purposes only.



It means that the Audi Q7 can ‘read’ the road, sensing changes in the surface beneath the wheels and adjusting their grip accordingly. So when conditions get a little more demanding – in particular, when you go off-road – quattro® adapts, putting all the force of the Audi Q7's engine precisely where it’s needed to handle the change in terrain.

SE model equipment

All Q7 SE models have the following items of standard equipment

Engine and transmission

Start-Stop system with energy recuperation (3.0 TDI engines only)

Wheels, tyres and suspension

19" x 8.5J '5-arm V' design alloy wheels with 265/50 R19 110Y tyres

Collapsible spare wheel with compressor – maximum speed 50mph

Adaptive air suspension – electronically controlled air suspension with continuously adaptive damping system for all four wheels which regulates ride height and damping automatically. Choice of 5 modes (automatic, comfort, dynamic, off-road and lift) selected via the MMI system

Locking wheel bolts

Tool kit and car jack

Parking brake – foot operated

Servotronic steering – power-steering with speed-dependent control

Safety and security

Driver's Information System (DIS) – Monochrome display in the direct field of view of the driver. The DIS displays information from the on-board computer and digital speed display. The integrated efficiency programme provides consumption data overviews and fuel-saving tips

Cruise control – maintains any speed above 19mph, provided the engine power output and engine braking effect permit it; operated via separate steering column stalk. The set speed is displayed in the Driver's Information display

Light and rain sensor – automatically switches the dipped beam or windscreen wipers on/off depending on the light and rain conditions. Includes coming home/leaving home function, automatic switching-on/delayed switching-off of the front fog lights, and number plate lighting when parking/opening the vehicle

Rear parking system – acoustically indicating how far away the vehicle is from an obstacle at the rear; measurement is by ultrasonic sensors integrated discreetly in the bumpers

Side airbags for driver and front passenger

Side-impact protection in the doors

Sideguard head airbag system over the entire length of the side windows to protect front and outer rear passengers in the event of a side impact

Anti-theft alarm – Thatcham Category 1 approved

Anti-lock Braking System (ABS) and Electronic Brake-force Distribution (EBD)

Electronic Stability Programme (ESP) with extended on- and off-road functions and Trailer Stabilisation system

Electronic Differential Lock (EDL)

First-aid kit with warning triangle

Seats

7 seats (3 rows of seats) – second and third row can be split and folded flat to form a level load area

Standard seats in Cricket leather upholstery including seat covers, head restraints, front and rear centre armrests. Door panel in Alcantara

19" '5-arm V' design alloy wheels

Cricket leather upholstery

Aluminium window trim

Comfort front centre armrest

Front seats electrically adjustable with adjustment for forwards/backwards position, seat height, seat and backrest angle, and electric lumbar support

Seat heating for front seats

ISOFIX child seat mounting – front passenger (with airbag deactivation), second and third row seats

Audio and communication

MMI Radio Plus:

- 6.5" screen with colour display
- FM/AM radio
- DSP sound system
- 2 SDHC memory card readers (up to 32GB and a single CD player that supports MP3, WMA and AAC
- TP memo - automatically saves traffic news when driving

Mobile telephone preparation – Bluetooth interface: Bluetooth-compatible mobile phones can be connected to the vehicle via the interface, allowing handsfree calls via the microphone. Please contact your Audi Centre for phone compatibility

AUX-IN socket

Interior equipment

Dual-zone electronic climate control – automatic air conditioning which electronically regulates the air temperature, air flow rate and distribution for the driver and front passenger sides

4-spoke leather multi-function steering wheel

Auto-dimming rear-view mirror – uses a photocell to recognise when the headlights behind are too bright and dims automatically

Comfort front centre armrest – for driver and front passenger, with fold-open storage compartment for the driver's side, a cup holder at the front on the passenger side as well as an additional cup holder in the armrest on the passenger side

Rear centre armrest in rear-seat backrest, folding, with 2 cup holders

Cup holders – 2 in side trim of third seating row

Inlays in Aluminium Marlin silver

Aluminium-look air vent surrounds

Illuminated vanity mirrors

Lighting package – includes door lighting under the exterior door mirrors, ambient LED lighting of the centre console, active door reflectors in the front and rear doors, footwell LED lighting at front and rear, rear door exit lights, lighting for air vents in the B pillar and ashtray in the rear

Floor mats – front and rear

12V sockets – 1 at front of centre console, 2 at rear of centre console and 1 in luggage compartment

Cargo nets on backs of front seats

Scuff plates with metal inlays

Double load-floor with storage compartment and dirt-resistant tray

Luggage compartment cover

Luggage and storage net in luggage compartment

Through-load hatch in the rear-seat backrest

Exterior equipment

Contrasting bumpers – front and rear bumpers and side sills painted (bumper colour is dependent on paint colour – see page 43 for more information)

Door mirrors – electrically adjustable, heated and folding

Halogen headlights including fog lights incorporated into the front bumper apron

Rear LED lights

Aluminium roof rails

Aluminium window trim framing the exterior side windows

Basic RRP
£3,750.00

Total RRP inc VAT
£4,500.00*

Wheels, tyres and suspension

21” x 10J ‘5-segment-spoke’ design alloy wheels with 295/35 R21 tyres

Seats

Verano Leather Upholstery

Exterior equipment

Privacy glass Dark tinted glass from B-pillar backwards

Running boards

Metallic or pearl effect paint – a choice of 13 colours

Power-operated tailgate – opens by pressing button on the car key, button in the driver’s door trim or soft-touch button in the handle recess on the luggage compartment lid. Including lid-closing assistance unit and programmable angle for the luggage compartment lid

Audio and communication

Satellite Navigation system – HDD-based including MMI Radio Plus – route planning and guidance using voice, pictogram and 3D mapping. Includes AM/FM tuner with TP memo function. Single front-loading CD/DVD player with MP3 compatibility, suitable for audio and DVD playback. Third generation MMI system including high resolution (800x400) 7” colour TFT display, two SD card readers and 40GB hard drive, 10GB of which can be used to store up to 4,000 songs. HDD navigation functionality includes advanced speech recognition, 7-digit postcode functionality, 3D and topographical mapping display and advanced 3D building display

Mobile telephone preparation – High with Audi connect. Allows a Bluetooth-capable mobile phone to connect to the vehicle’s internal UMTS module (providing the mobile phone has a SIM Access Profile**). This allows the navigation to use Google Earth images and Audi traffic information online. Please see page 56 for more details

Colour Driver’s Information System (DIS) with efficiency programme

Audi parking system advanced – aids parking by acoustically and visually indicating distances to obstacles with guiding lines measured by sensors and reversing camera

Audi Music Interface – universal connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards (iPod, iPod classic, iPod mini, iPod nano, iPod photo, iPod video, iPod touch). Provides intuitive control through the audio system and multi-function steering wheel. It also replicates the iPod display on the audio screen and DIS, including track titles. The interface provides charging function (dependent on device). Includes 2 cables to connect your iPod or USB MP3 player

When ordered with a sunroof (3FU/3FV) and electric trailer towing hitch (1D9), deletion of third seating row (5KM) must be added.
**Online services are only available for mobile phone contracts including a data option and only within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract). Due to high data volumes, a mobile phone contract including an unlimited data plan is strongly recommended. The content and scope of online-based services offered may vary.

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £590.00 (inc. VAT), Road Fund Licence (which may vary depending on model/transmission – see page 71 for details) and first registration fee at £55.00. Vehicle Excise Duty correct at time of going to print, but this may alter to reflect any change in the applicable VED rate.

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Audi exclusive

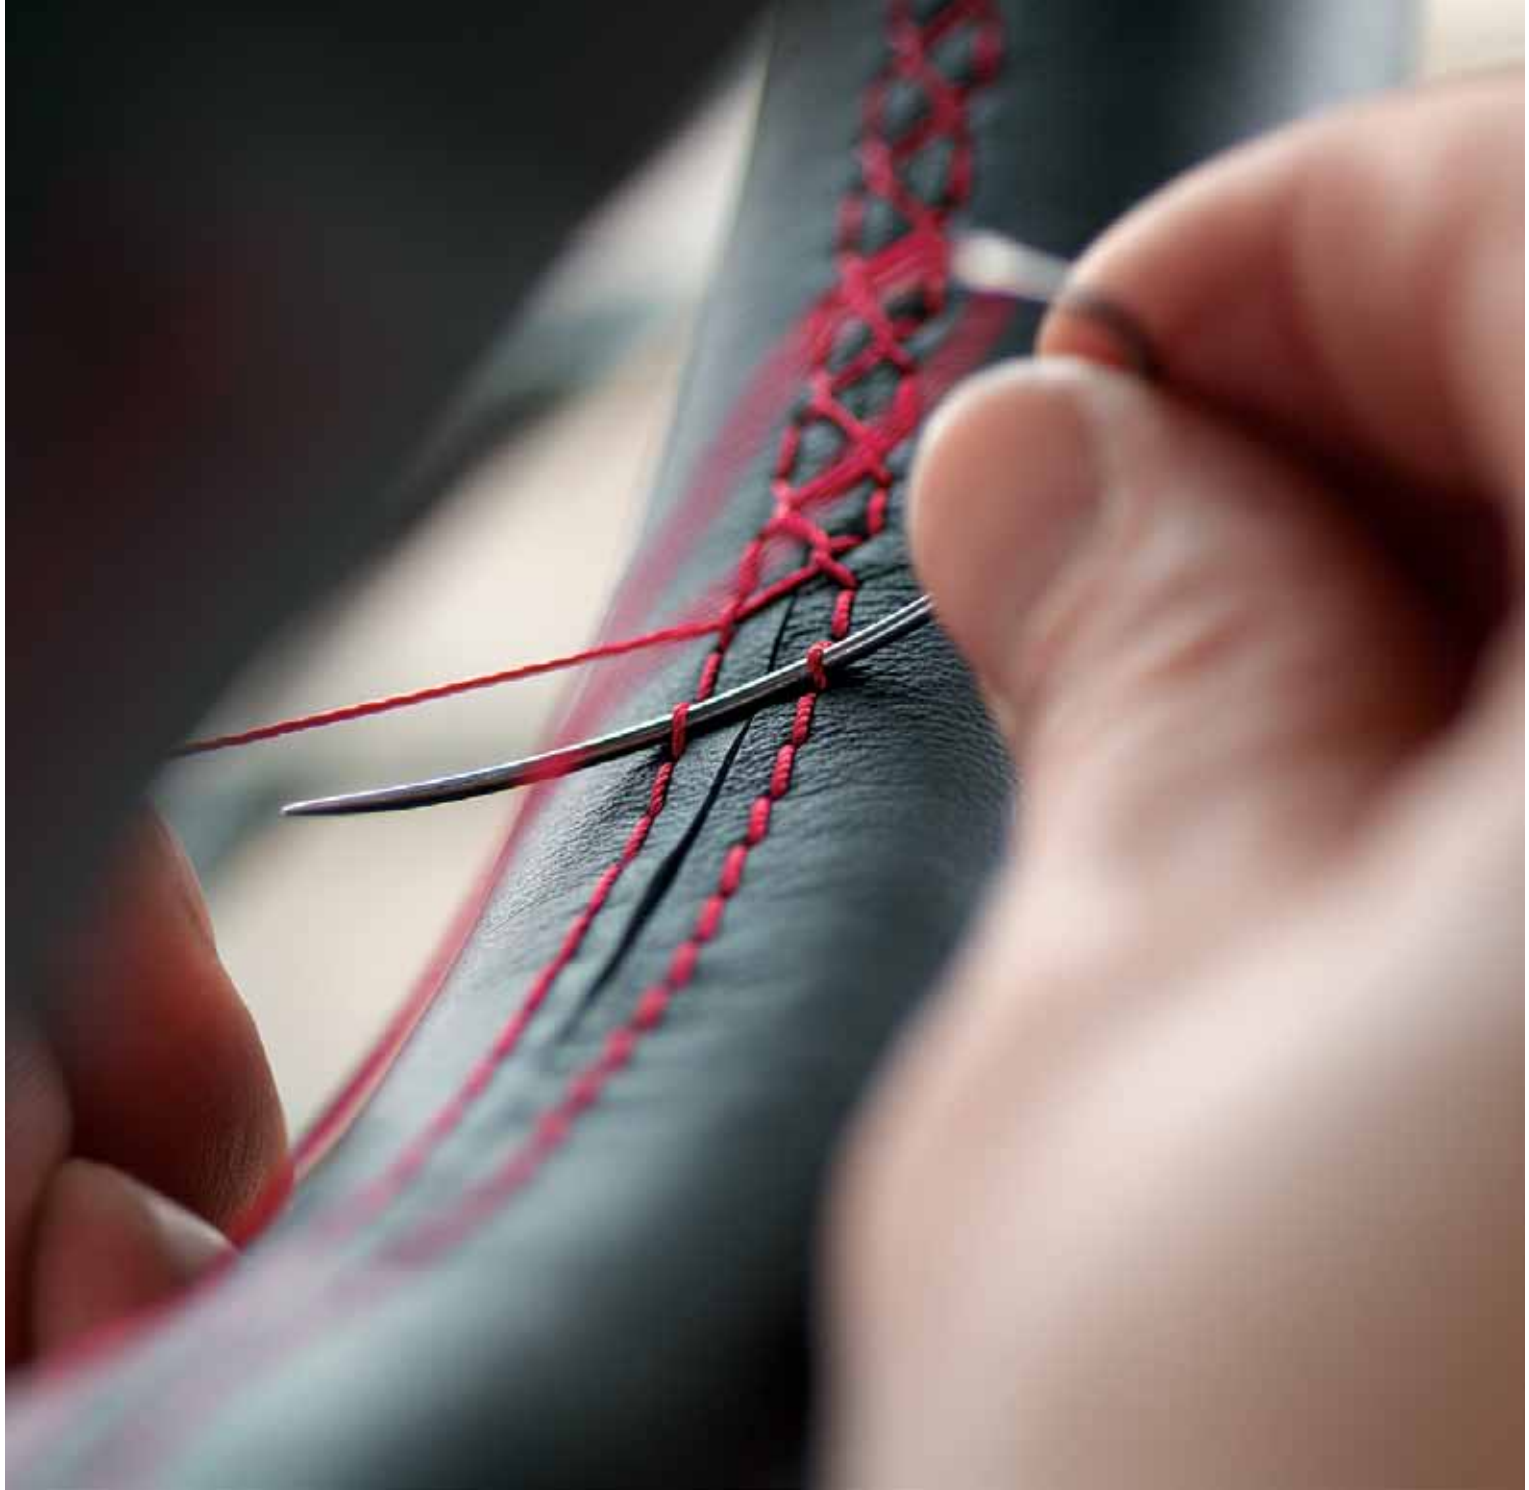
Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik.
But for that special touch you can specify your Audi Q7 with options from Audi exclusive.
Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Audi exclusive line

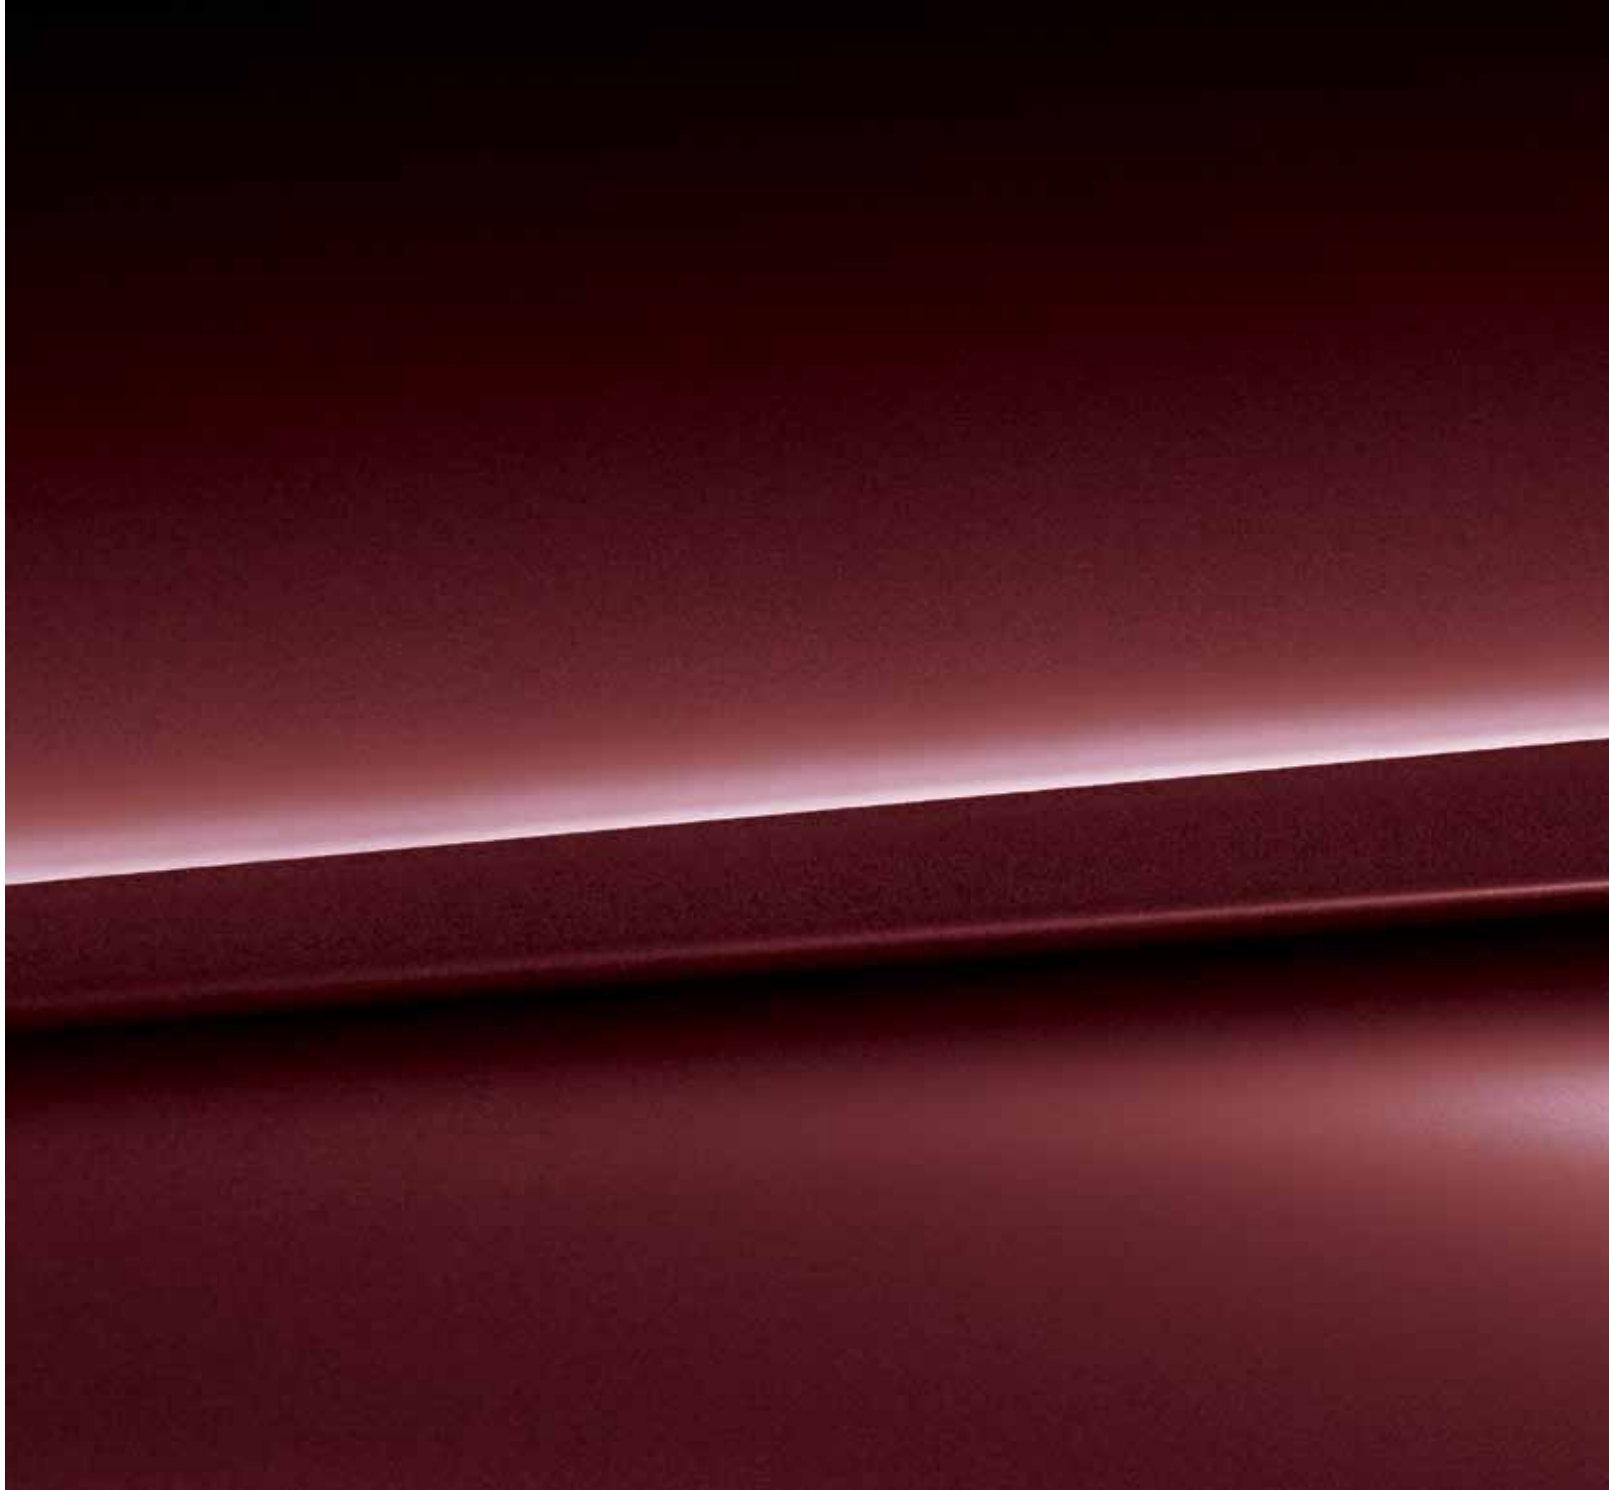
There are a number of ways to customise your car's interior with the Audi exclusive range. And if you'd like us to help you choose, we've put the most popular elements of the range together into one harmonious package – the Audi exclusive line.

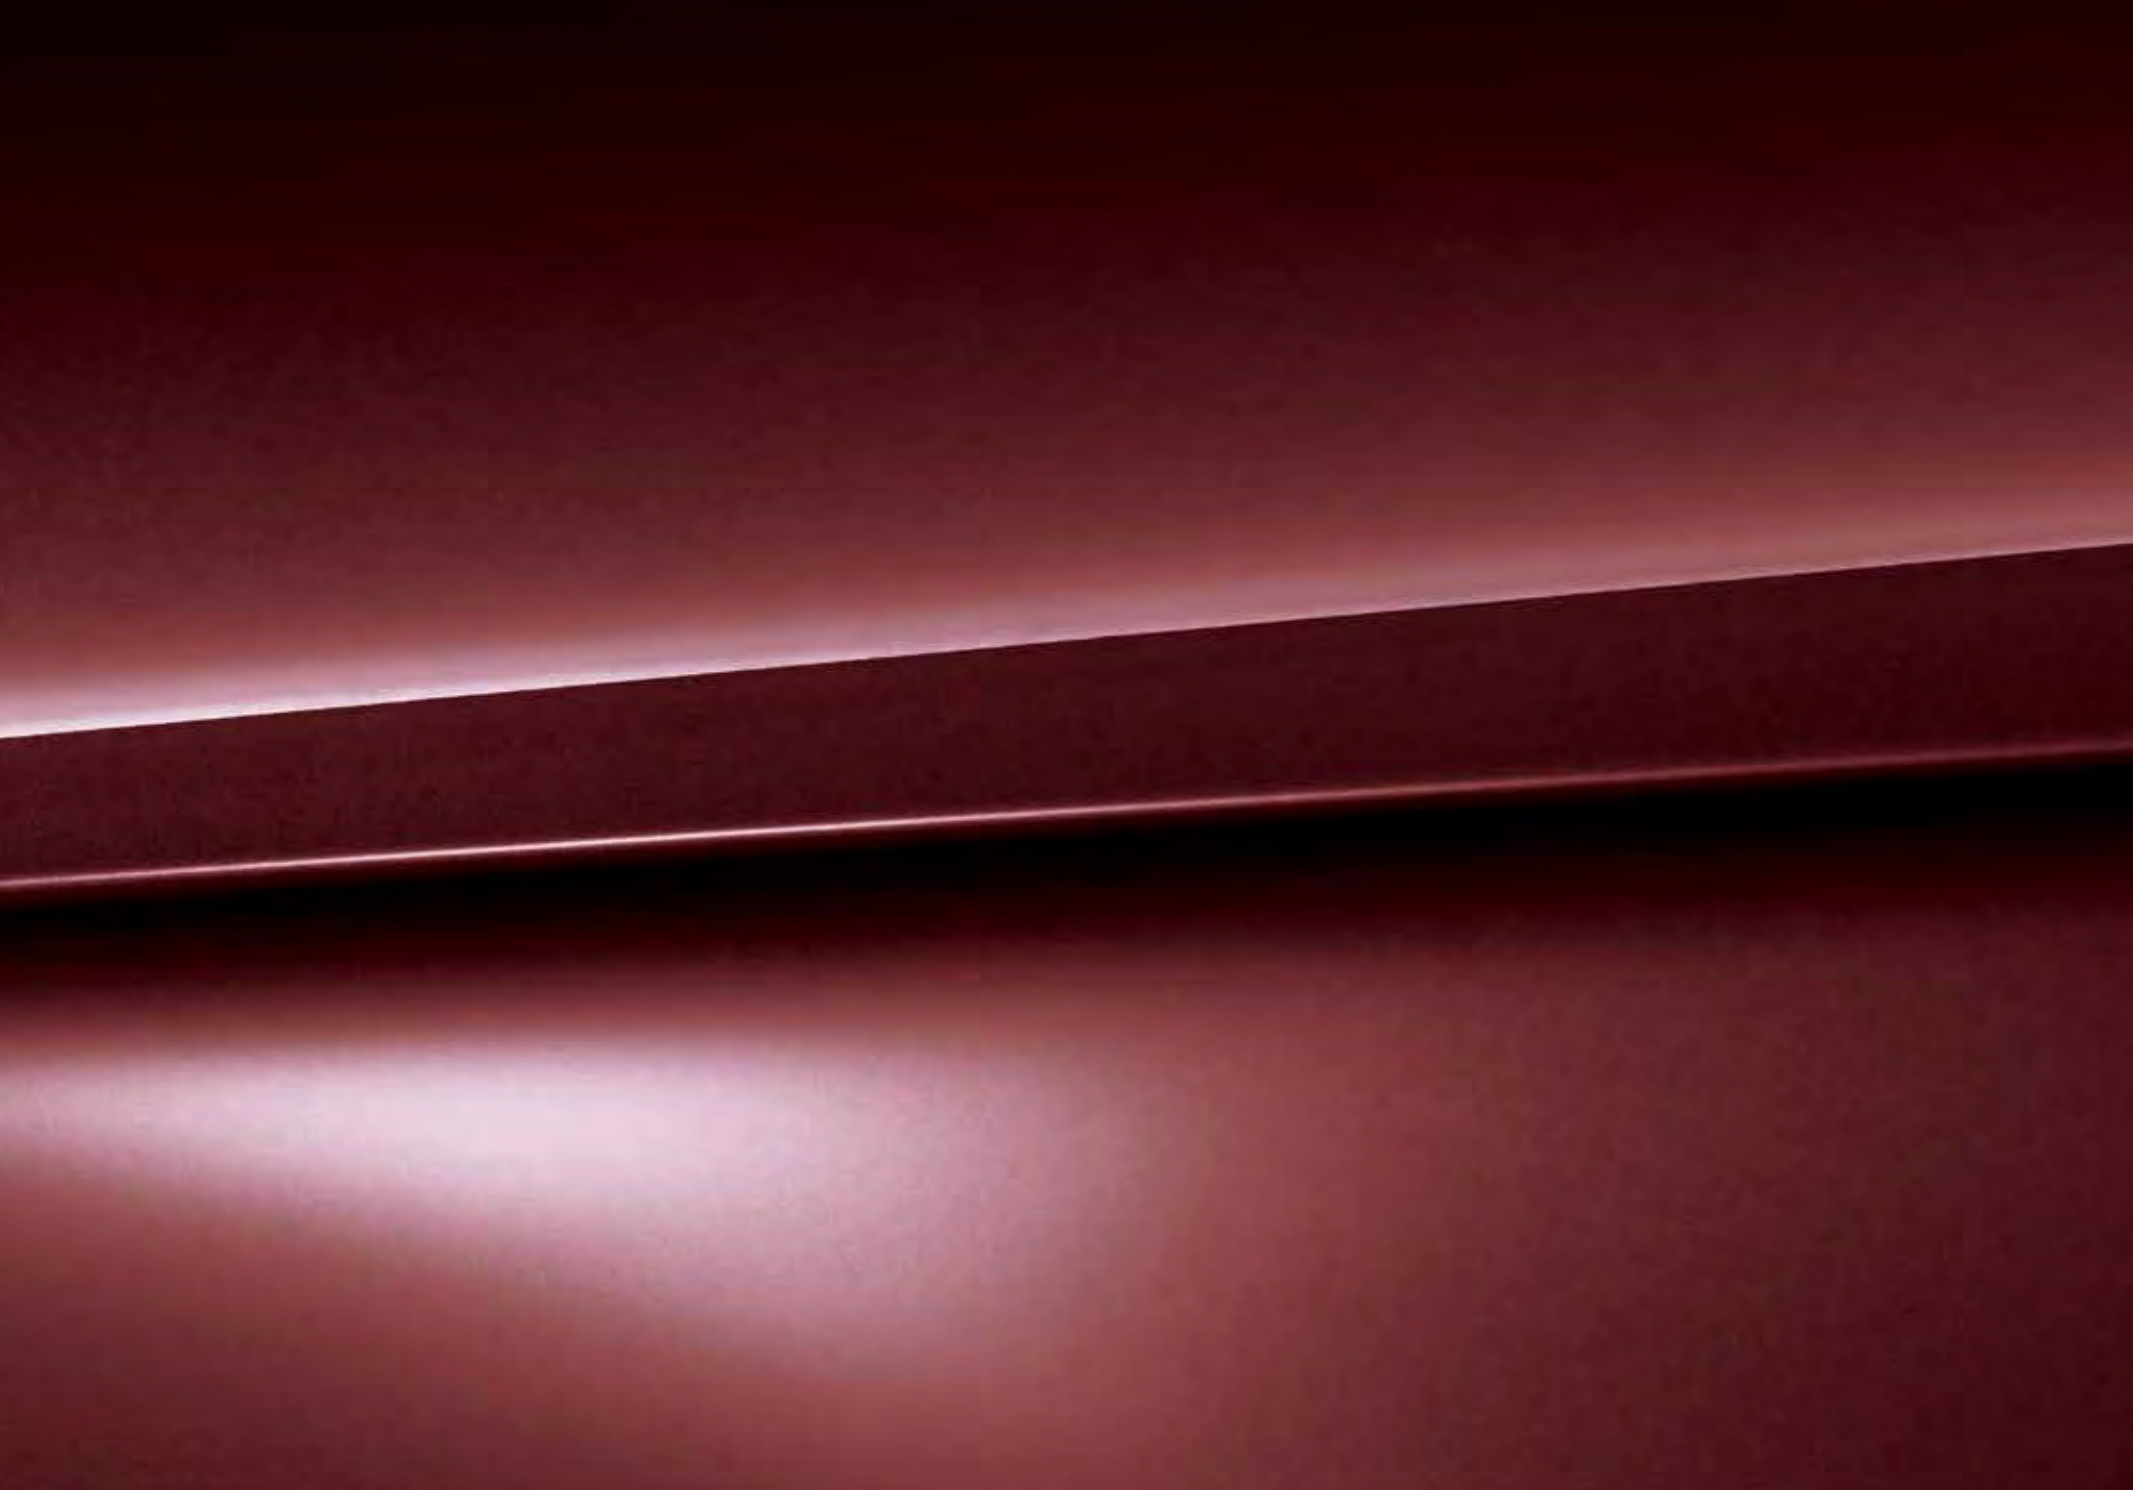
With experience over more than 20 years, our expert designers understand which elements work well together. From high-quality Fine Nappa leather seats to Audi exclusive door sill trims, every detail has been chosen to truly enhance your drive.



Paint choices

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.



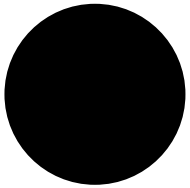


Paint

You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

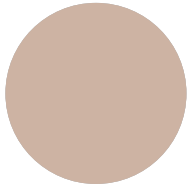
Standard colours

Pure white – **0Q**

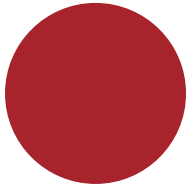


Night black – **A1**

Optional colours



Bahia beige, metallic – **6L**



Garnet red, pearl effect – **9C**

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Fine Nappa leather or Fine Nappa/Alcantara, in an array of different colours shown here.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Packages

Some items work well together, which is why we've created these special packages. They provide increased convenience and value by combining several of our most popular options.

Order Code	Technology package – High		SE	S line	S line Plus	Basic RRP	Total RRP inc VAT
WB0 9ZW UF7	▸ Satellite Navigation system – HDD-based ▸ Colour Driver's Information System (DIS) with efficiency programme ▸ Single CD/DVD player ▸ Mobile phone preparation – High, with Audi connect	▸ Power-operated tailgate ▸ DSP sound system ▸ Voice dialogue system ▸ Audi parking system advanced ▸ Audi Music Interface	●	●	S	£1,850.00	£2,220.00

Satellite Navigation system – HDD-based. Route planning and guidance using voice, pictogram and 3D mapping. In combination with mobile telephone preparation – High, a Bluetooth capable mobile phone can be connected to the vehicles internal UMTS module. This will then allow online services including; point of interest search and navigation with the help of Google Earth images. Online traffic information is also shown on the navigation display. Includes AM/FM tuner with TP memo function. Single front-loading CD/DVD player with MP3 compatibility, suitable for audio and DVD playback. Third generation MMI system including high resolution (800x400) 7" colour TFT display, two SD card readers and 40GB hard drive, 10GB of which can be used to store up to 4,000 songs. HDD navigation functionality includes advanced speech recognition, 7-digit postcode functionality, 3D and topographical mapping display and advanced 3D building display

Mobile telephone preparation – High with Audi connect. A mobile phone can be connected to the internal UMTS (3G) module via Bluetooth (provided the mobile telephone has SIM Access Profile[1]), or alternatively through the additional SIM card reader[2]. It is possible to transfer phone book entries to the car and manage call lists. Audi connect features include: navigation using Google Earth images and Google Street View, destination entry via Google Maps or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth image. Audi connect can also create a Wi-Fi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet)[3]. Many Audi connect features can be simply operated via MMI Navigation Plus, the multi-function steering wheel or the voice control system

Options are subject to availability and may extend delivery.

– = Not available
● = Available
S = Standard

[1]To check the compatibility of your mobile phone and whether it has SIM Access Profile compatibility, please visit www.audi.co.uk/owners-area/phone-compatibility.html

[2]Please note that when a data SIM card is inserted into the SIM card reader, Bluetooth handsfree connectivity is disabled, as the SIM card takes priority over the Bluetooth connection.

[3]Online services are only available for mobile phone contracts including a data option and only within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract). Due to high data volumes, a mobile phone contract including an unlimited data plan is strongly recommended. The content and scope of the online-based services offered may vary.

RRP – Recommended Retail Price.

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi Q7 model range and is therefore subject to change and mileage/model dependent.

Order Code			Q7	Basic RRP	Total RRP inc VAT
–	**Audi Complete – Service and Maintenance.** Comprehensive care for your Audi covering all your servicing and maintenance for 3 years, as well as your first MOT. Visit your local Audi Centre for further information or audi.co.uk/audicomplete for full details including terms and conditions	Monthly Direct Debit	●	£24.17	£29.00*
–	**Audi Complete – Service, Maintenance and Tyres.** Comprehensive care for your Audi covering all your servicing, maintenance and tyres for 3 years, as well as your first MOT. Visit your local Audi Centre for further information or audi.co.uk/audicomplete for full details including terms and conditions	Monthly Direct Debit	●	£39.17	£47.00*

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your Audi Q7, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. And they're all available exclusively from Audi.

To find out more, just visit **audi.co.uk/accessories** or contact your local Audi Centre.

Warranty

All the accessories available on the Audi Q7 are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products. Audi Accessories warranty terms and conditions can be found at audi.co.uk

Fuel tank capacity approx, litres	100	100	100

*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

[1]The given values were obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Top speed is achieved in 6th gear.

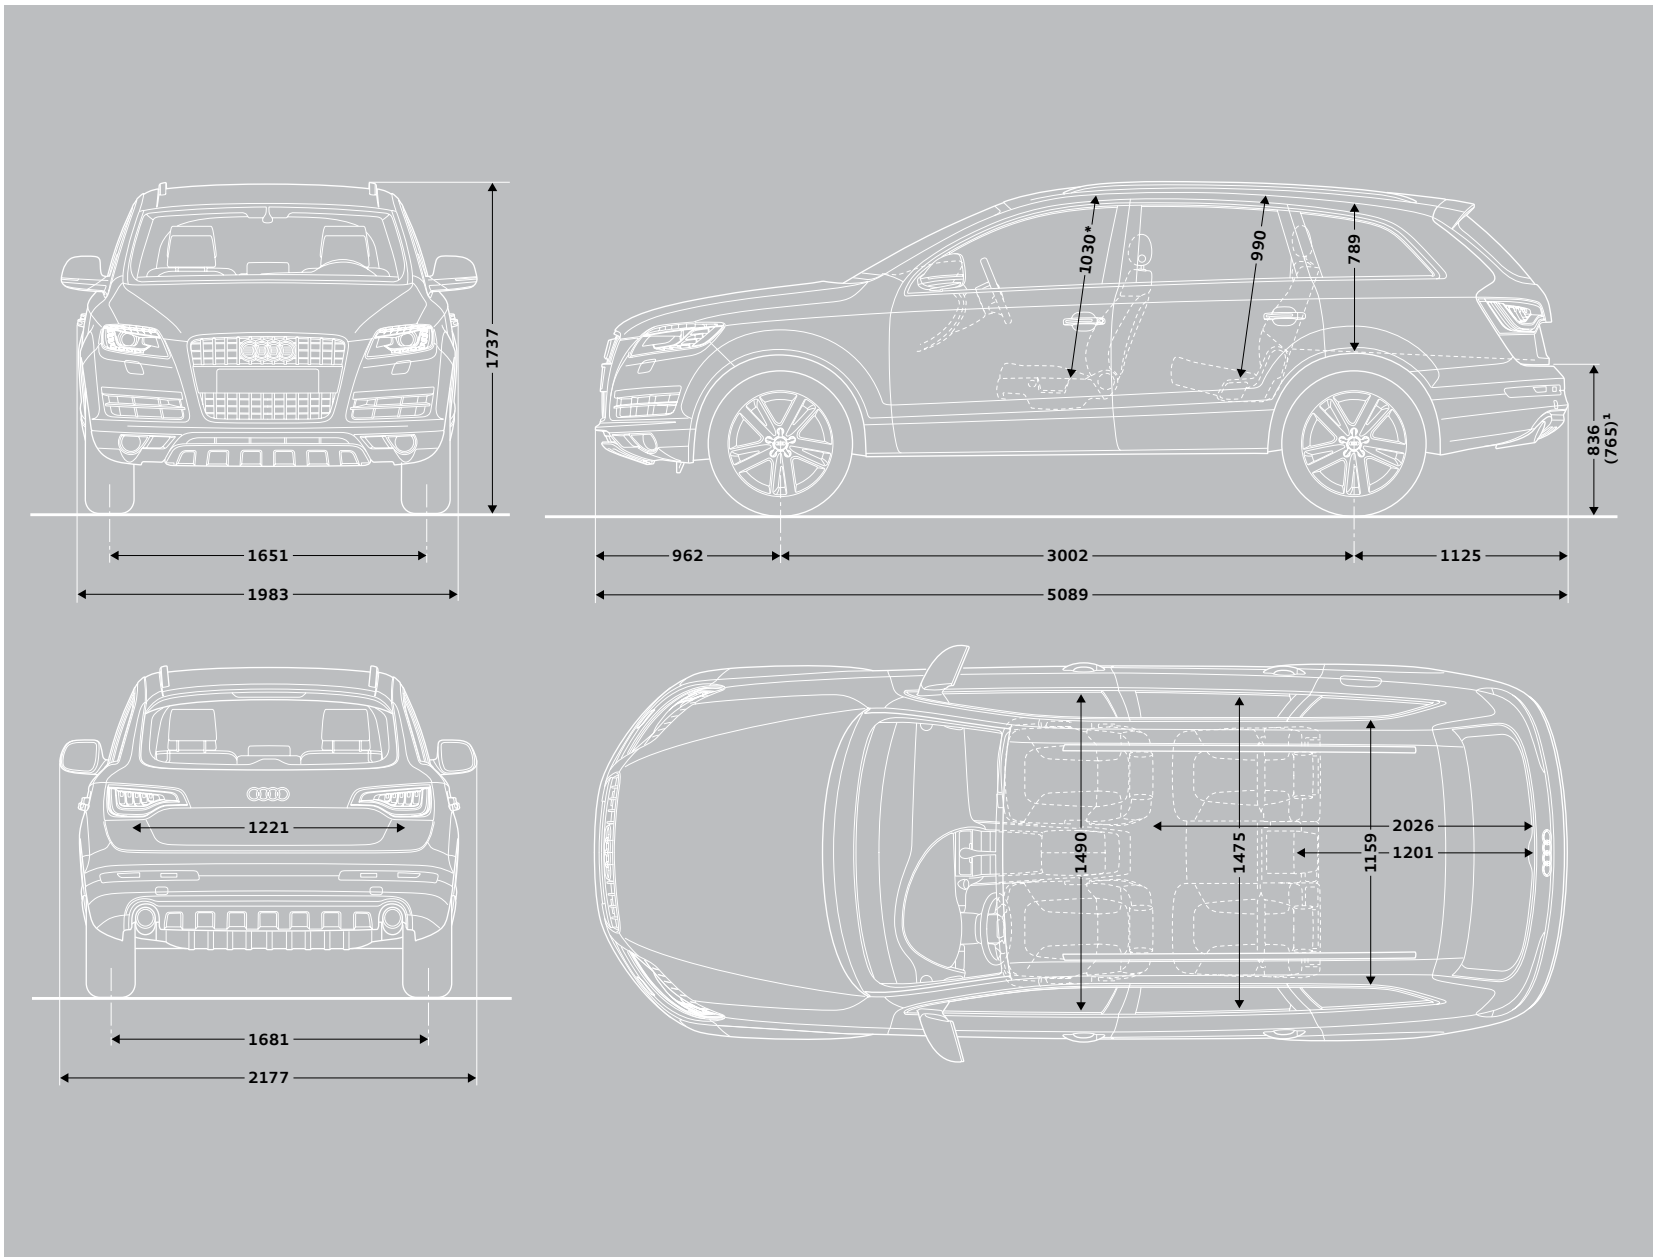
[3]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

[4]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 92/21/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[5]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle). Value applies to trailer load for factory-fitted trailer towing hitch.

Audi Q7 dimensions

The technical drawings opposite show the exact dimensions of the Audi Q7, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



Dimensions in millimetres.

*Maximum headroom.

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load. Luggage load area in litres: 775/2035 (Measured by the VDA standard test method using 200 x 100 x 50mm blocks. Second value is with the rear seat folded down and the vehicle loaded up to the roof height).

Turning circle approx 12m

[1] With air suspension, in lift mode.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£100.00
E – 131 to 140g/km	£120.00	£120.00
F – 141 to 150g/km	£135.00	£135.00
G – 151 to 165g/km	£170.00	£170.00
H – 166 to 175g/km	£275.00	£195.00
I – 176 to 185g/km	£325.00	£215.00
J – 186 to 200g/km	£460.00	£250.00
K – 201 to 225g/km	£600.00	£270.00
L – 226 to 255g/km	£815.00	£460.00
M – over 255g/km	£1,030.00	£475.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Audi Complete

Your vehicle should be placed on the following service schedules dependent on your mileage per annum:

- Under 10,000 miles per annum – Fixed Inspection Service Schedule
- Over 10,000 miles per annum – LongLife Service Schedule

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving
	Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales:	Monday to Friday 9am–6pm
	Saturday 9am–5pm
Service:	Monday to Friday 8am–6pm
	Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit audi.co.uk

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is the full range of finance products.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
